North Shore Oncology-Hematology Contact Information

It is important that our patients can always contact us. To accomplish this we would like to assure you have all methods of communication available. Please review the information below and keep it in a convenient location in case you need it for reference.

By Phone

Libertyville: 847-367-6781

Crystal Lake: 815-759-9260

Direct to answering service after hours and weekends: 847-573-4369

In the event that one of our office lines is unavailable please call the alternate office and we will route your call. If it is after hours you can call the answering service directly.

My Care Plus

<https://www.mycareplusonline.com>

Please remember you can use My Care Plus to reach us. It is a safe and secure way to schedule appointments, receive your lab results, or ask non-urgent questions about medications or diagnostic preparations. If you have signed up for My Care Plus and have a non-urgent question about your care, please log in and use the Message Center to send us your question. Our staff will respond to you within 48 hours. There's no hold time on My Care Plus! If you have not enrolled let us know and we will get you started.
